

**UCD AGRICULTURE, FOOD SCIENCE
AND HUMAN NUTRITION**

CAREERS DAY 2019

TUESDAY, 19TH FEBRUARY 2019

Are you considering employing in 2019?

Would an energetic UCD School of Agriculture and Food Science graduate with technical, management, IT and problem solving skills add value to your business? With modules such as Professional Work Experience, Professional Communications and Entrepreneurship, UCD School of Agriculture and Food Science graduates are innovative, knowledgeable, critical thinkers with a proven track record.

If you would like to meet final year UCD School of Agriculture and Food Science students at this event or if you would like to find out further information please contact:

**UCD Agricultural Science Careers
Committee Chairperson
